Choices is a game that was originally created by the team who created mobile games story in a decade ago. Later, they created Surviving High School and the cause of death, the first games with episodes for EA. More and more people are also benefiting from fast-paced and fresh gaming experiences. The riddles and tasks will not disappoint. Choices, Stories You Can Play is a fun choose-your-own-adventure style app for iOS or Android and I have been having so much fun playing/reading. Right now there are three main stories, two with completed “books” and three with ongoing stories releasing. Get Free Keys and Diamonds! How to Hack Choices Stories You Play Free Keys and Diamonds? The app is free, with two hour delays for earning new “keys”. There are a limited number of keys available for each chapter and if needed you can purchase more. The pace at which you can read will depend on how often you check in or if you’re willing to pay for more keys. Your average novel is around 15 chapters and is divided into major story arcs. Your Freshman class breaks things down into 1 book=1 quarter, for example. It’s worth noting that you can also buy extra options like Outfits and Dates, but they’re not necessary. You Can always use our Choices Hack and get free keys and diamonds in seconds! This process is super easy. Use GoCheat injector, click on the button below.
